— WELCOME — BACK TO SCHOOL

Parents/Guardians:

I am extremely excited about returning to MacIntyre Park Middle School and am anticipating a great year. The MPMS Team and I are looking forward to working with each of you during the 2017-2018 school year. Staff members have been busy preparing their classrooms for another rewarding and productive year. ***WE ARE READY FOR OUR MPMS STUDENTS!!!***

Our school's motto will remain ***"Be Respectful, Be Responsible, Be Ready...That's the Bulldog Way!"*** MPMS's motto serves as the foundation for our educational program. All stakeholders are expected to exemplify the same characteristics by being examples for students to emulate. As we remain focused on our school's vision, ***"Success... Nothing Less"***, we will strive daily to create a stimulating learning environment where students are challenged to raise their current level of expectations and performance. With parental support, we can have an even greater year of teaching and learning at MPMS.

Please feel free to visit our campus. We welcome you and appreciate the support you give the school. For the safety of everyone, we ask that ALL visitors check in through the front office doors and obtain a visitor's identification badge. In addition, please do not hesitate to contact me with any questions or concerns that you might have in regards to your child.

Thank you again for entrusting your children to attend MPMS, a school where we hold ourselves accountable by providing a safe and nurturing environment; a place where students may acquire academic knowledge and the necessary skills to become productive citizens of our society.

Principal
